Los Cabos

PLANNED WITH PASSION

Contemporary architecture and a perfect use of space. Beautiful gardens with water mirrors that provide spectacular reflections of the sky while providing a peaceful and private environment. Its excellent design includes spacious and finely finished three-bedroom apartments with air conditioning, living room, tv room, terrace, laundry room, covered parking and storage room.

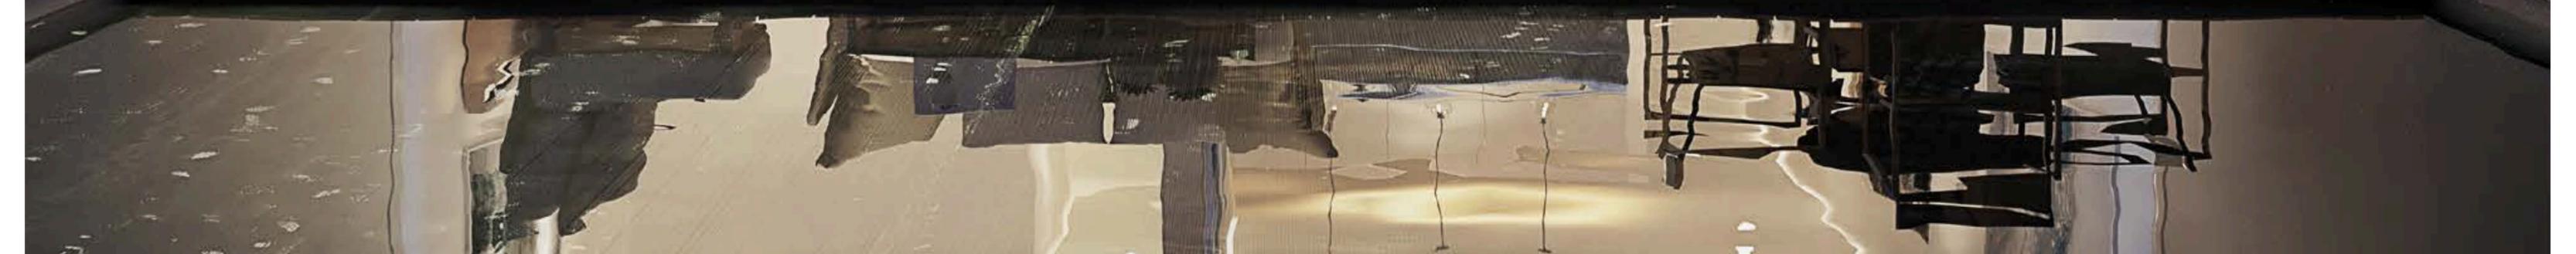

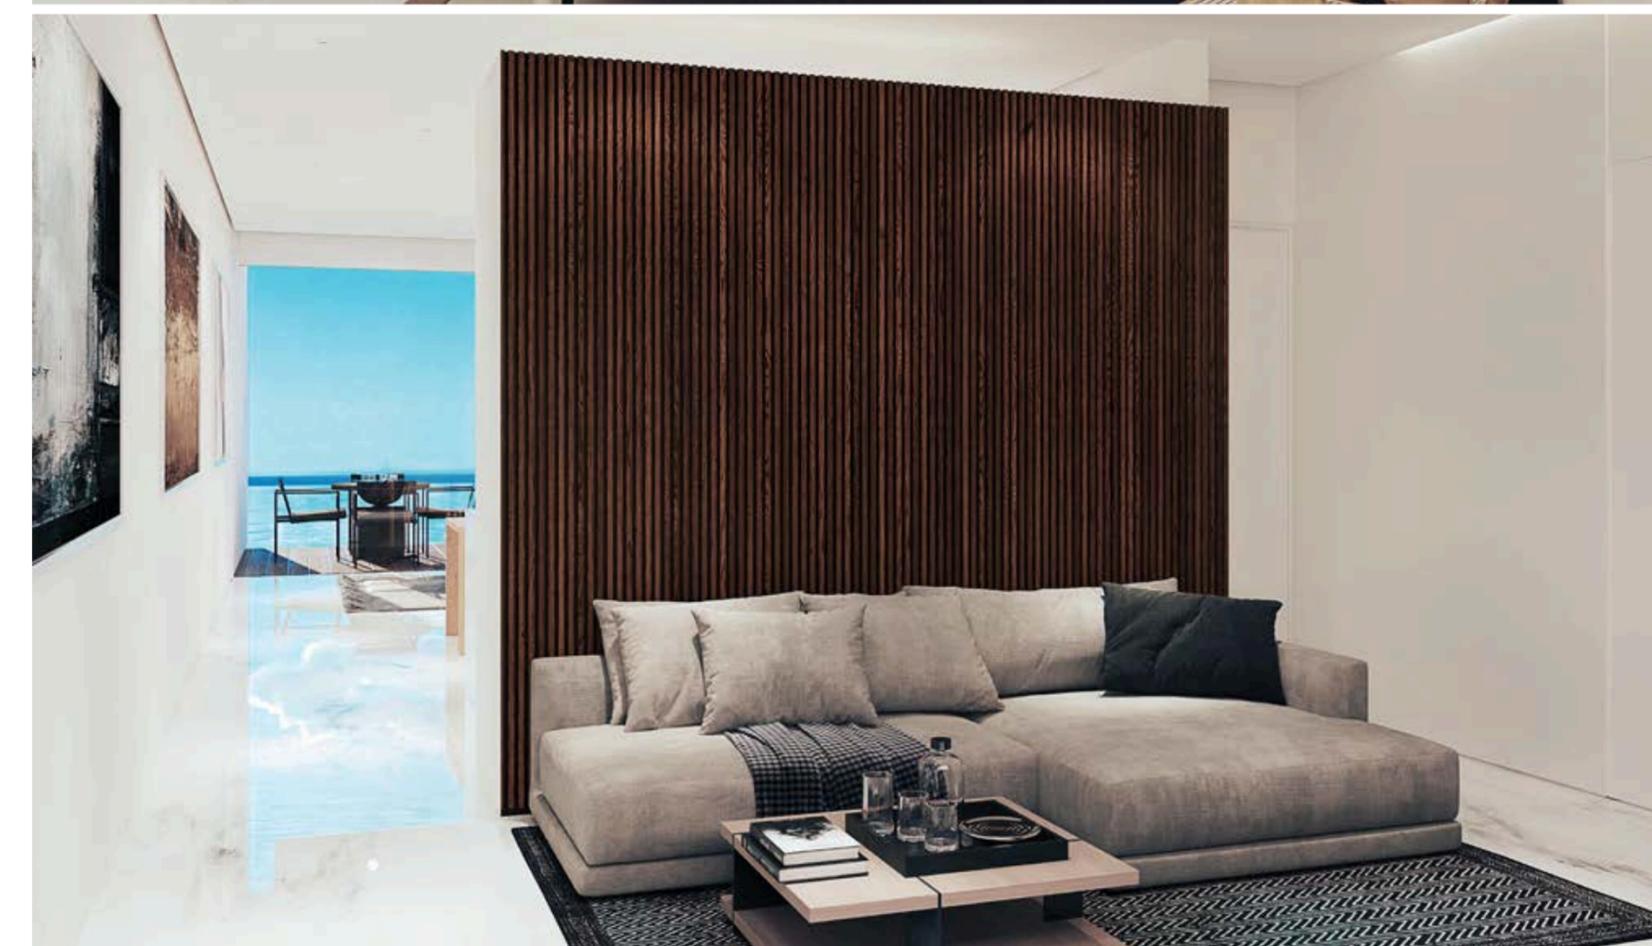

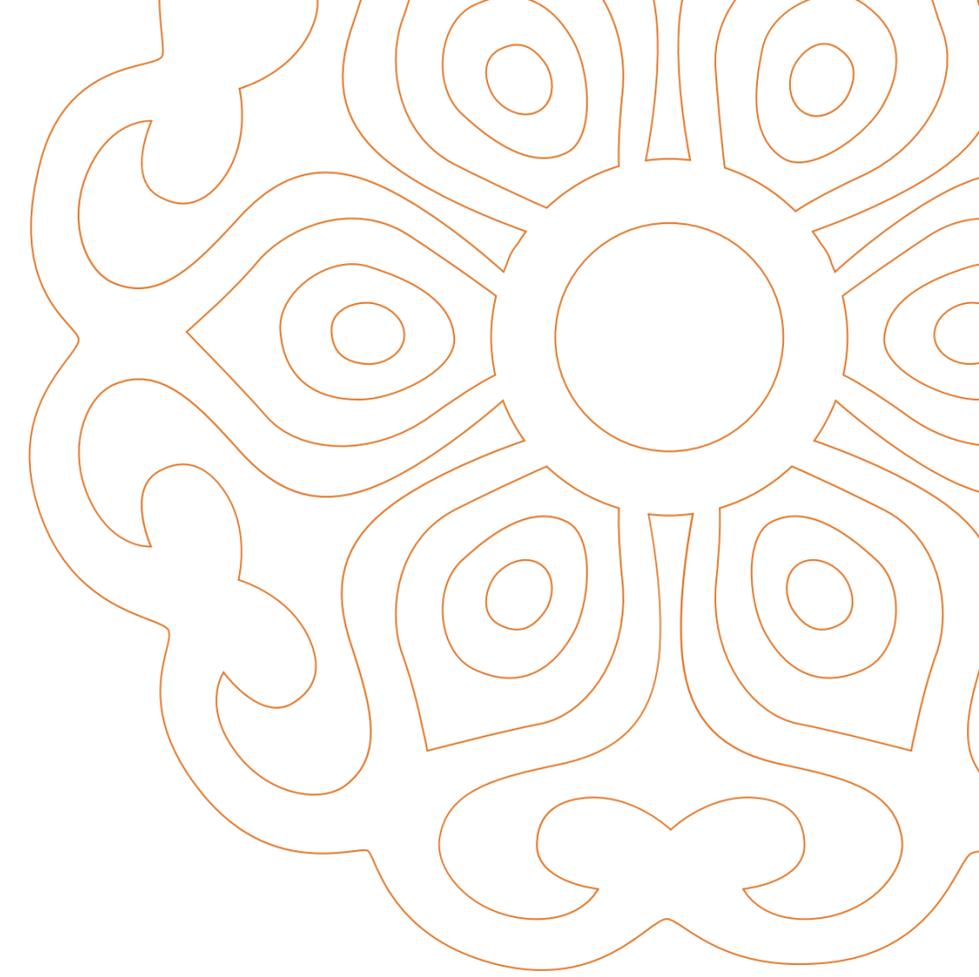

GREAT INVESTMENT

Grupo Habitat has once again managed to offer in Cora Sur, the most complete residential development at the best market price, thus allowing it to obtain the optimal cost-benefit ratio and a magnificent capital gain. Take advantage of the flexible and comfortable deferred down payment plans that we are offering.
